

### (a) Correct Session

I did really badly on a surprise math quiz and I've been feeling weird about it ever since.

Take a breath and we can sort it out step by step. What happened right after. ..

...  
I didn't want to talk to anyone, so I just ordered a smoothie to the house instead of meeting up with friends ...

### (b) Wrong Session1

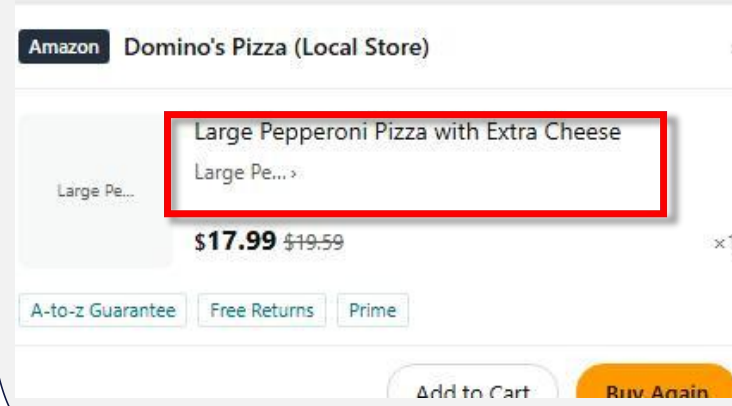

Soccer practice got canceled because of the rain. It was a total downpour, so we didn't even really get going.

That's frustrating, especially if you'd been looking forward to it. You were ...

...  
I used a food app and ordered a small pizza to share with Sophie. I figured we could watch a movie together and ...

### (c) Wrong Session2

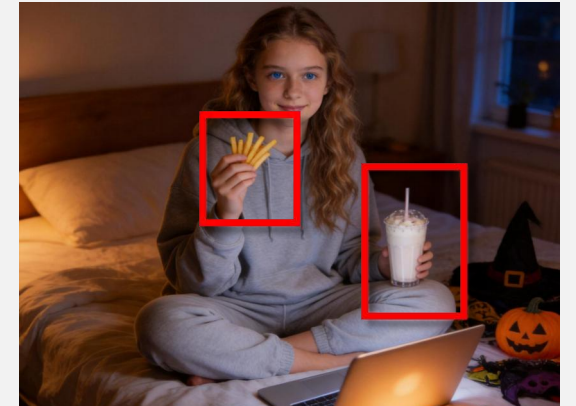

I put on the costume I ordered online, and one part just did not fit right. It looked way more awkward ...

So the main problem was the fit, and the mismatch between what you pictured ...

...  
I ordered fries and a milkshake to calm down first. Comfort food really helps me when plans go wrong ...

### (d) Wrong Session3

After the art club fall showcase. I was honestly wiped out and didn't feel like talking much.

That makes sense. Big events can leave you drained even when they go well. What ...

My dad said we should just keep it simple and order burgers and fries, then watch ...

Question:

After the surprise math quiz, what did I order to the house as comfort?

Answer:

A smoothie
